**STATEMENT REQUEST**

I rise pursuant to standing order no 45 (2) to seek a statement from the chairperson of the standing committee on National Security and foreign relations on the increased number of police check points along Mau summit -Sotik road in Kericho county.

In the statement the chairperson should address the following

- a. Why for a distance of less than 80 KM , there are more than 15 check points which are inhibiting the free flow of goods and services in the county .
- b. Is the chairperson aware that the said officers are contravening on Section 69A traffic Act by mounting the check points on none gazetted zones?
- c. If the chairperson is aware that these check points have been turned to corruption zones where traffic police officers are collecting bribes in broad daylight without even inspecting vehicles?
- d. Is the chairperson also aware that tea farmers are bearing the loss of crop rejection by factories, since the transport vehicles get stuck in the unnecessary check points?
- e. Can the chair also supply the list of the gazetted check points within the county?

Yours faithfully

  
**Hon. Aaron Cheruiyot**  
**SENATOR KERICHO COUNTY**
