4.0 CONSIDERATION OF THE PROPOSED SENATE AMENDMENTS TO THE CLIMATE CHANGE BILL (NATIONAL ASSEMBLY BILL NO. 1 OF 2014)

The Committee considered the Senate amendments to the Climate Change Bill (National Assembly Bill No. 1 of 2014) and resolved as follows:-

CLAUSE 2

THAT clause 2 of the Bill be amended in the definition of the word “Cabinet Secretary” by deleting the words “Cabinet affairs” appearing after the words “responsible for” and substituting therefor the words “matters relating to climate change”.

The Committee agreed with the proposed amendment.

Justification: the amendment clarifies the definition of the word “Cabinet Secretary”.

CLAUSE 3

THAT clause 3 of the Bill be amended in subclause (2) by inserting the word “and” immediately after the word “intergenerational” appearing in paragraph (e).

The Committee agreed with the proposed amendment.

Justification: the amendment distinguishes the two different aspects of “intergeneration” and “gender”.

CLAUSE 5

THAT clause 5 of the Bill be amended by inserting the following new subclause immediately after subclause 2 -

5. (2A) the Deputy President who shall be the vice-chairperson to the Council;

The Committee agreed with this proposed amendment.

Justification: The amendment provides for the inclusion of the Deputy President who shall be the vice-chairperson to the Council, this will enrich the composition of the Council.

The Committee notes that the inclusion of the Deputy President in the Council raises the membership of the Council to eleven members, that is the President, Deputy president and nine other members, THEREFORE a Consequential Amendment has to be made to Clause 7 to delete the word “nine” appearing in the introductory statement and substitute therefore with the word “eleven”

CLAUSE 7

THAT clause 7 of the Bill be amended –

(a) in subclause (2) by –

(i) deleting paragraph (g);

The Committee rejected the proposed amendment.

Justification: The Civil society plays a critical role in matters of climate change and should therefore be represented in the Council, further, removing a representative of the civil society would mean that the council would have an even number of Members which would be pose a problem in the event of a split vote.

(ii) inserting the words “nominated by the body representing the largest number of institutions in the private sector” immediately after the words “private sector” appearing in paragraph (f);

The Committee agreed with this amendment.

Justification: The amendment requires that the representative of the private sector be nominated by the body representing the largest number of institutions in the private sector, this provides for clarification on the nomination of representative from the private sector.

(iii) inserting the words “who has knowledge and experience in matters relating to indigenous knowledge” immediately after the words “of the Constitution” appearing in paragraph (h);

The Committee agreed with the proposed amendment.

Justification: The amendment seeks to ensure that the representative of the marginalised community is qualified.

(b) in subclause (3) by deleting the words “(2)(f), (g) and (h)” appearing immediately after the words “under subsection” and substituting therefor the words “(2)(f), (g),(h) and (i)”; and

The Committee agreed with the proposed amendment.

Justification: The amendment provides for the expertise needed for the members of the council nominated from outside the executive. The Committee however notes that there is a conflict as subclause (2) (g) is included in the amendment and yet it has been proposed for deletion in the previous amendment. The final amended version should expunge the reference.

(c) in subclause (4) by inserting the words “and the Senate” immediately after the words “the National Assembly”.

The Committee rejected the proposed amendment.

Justification: Article 95 (5) (b) of the Constitution provides that the National Assembly exercises oversight of State Organs. Under Article 96 (4), the role of the Senate with regard to oversight is limited to the process of impeaching the President or the Deputy President.

CLAUSE 13

THAT clause 13 of the Bill be amended in subclause (4) by inserting the words “of the Action Plan” immediately after the words “for mainstreaming”.

The Committee agreed with the proposed amendment.

Justification: This amendment cures ambiguity within the clause.

CLAUSE 14

THAT clause 14 of the Bill be amended in subclause (1) by inserting the words “and mitigation against” immediately after the words “adaptation to” appearing in paragraph (a).

The Committee agreed with the proposed amendment.

Justification: This amendment provides that policies or action plans provide for mitigation factors, this will strengthen the contents of the policy or action plans formulated.

CLAUSE 17

THAT clause 17 of the Bill be amended in subclause (1) by deleting the word “give” appearing immediately after the words “with instructions” in paragraph (b) and substituting therefor the word “prescribed”.

The Committee agreed with the proposed amendment.

Justification: The amendment corrects a typo and gives the clause the intended meaning.

CLAUSE 32

THAT clause 32 of the Bill be amended in subclause (1) by deleting the word “one” appearing immediately after the words “fine not exceeding” at the end of the subclause and substituting therefor the word “ten”.

The Committee rejects the proposed amendment.

Justification: the amendment enhances the fine for failing to obey instructions of the Council or misrepresenting facts to the Council from one million to ten million. The proposed fine is excessive considering that most factories/ industries in Kenya are either micro or medium sized. Further, the Bill focuses on giving incentives to persons involved in promotion of climate change initiatives and not punishment.

CLAUSE 35

THAT clause 35 of the Bill be amended in subclause (1) by deleting the word “may” appearing immediately after the words “Cabinet Secretary” and substituting therefor the word “shall”.

The Committee agreed with the proposed amendment.

Justification: The amendment makes it mandatory for the Cabinet Secretary to consult the Board when coming up with regulations.

New Clause 25A

THAT the Bill be amended by inserting the following new clause immediately after clause 25 –

25A. (1) The Cabinet Secretary shall, in accordance with the appropriate law, and in consultation with the Cabinet Secretary responsible for finance, grant to persons who –

(d) encourage and put in place measures for the elimination of climate change including reduction of green house emissions and use of renewable energy;

(e) put in place measures to mitigate against the adverse effects of climate change;

(f) are involved in the conduct of accredited training in programmes that are aimed at eliminating climate change;

such incentives as may be necessary for the advancement of the elimination of and mitigation against climate change and the effects of climate change.

(4) The Cabinet Secretary shall make the regulations specified under subsection (2) within a period of twelve months from the commencement of this Act.

The Committee agreed with the proposed amendment.

Justification: The proposal requires that the Cabinet Secretary grants incentives to persons involved in promotion of climate change initiatives.

Justification: Article 95 (5) of the Constitution provides that the National Assembly is responsible for the oversight of state Officers. Under Article 96 (4), the role of the Senate with regard to oversight is limited to the process of impeaching the President or the Deputy President.

The committee agreed Article 95 (5) and 96 (4) be written in full for clarity.

3. Under **CLAUSE 32 THAT**, clause 32 of the Bill be amended in sub clause (1) by deleting the word "one" appearing immediately after the words "fine not exceeding" at the end of the sub clause and substituting therefor the word "ten".

The Committee rejects the proposed amendment.

Justification: the amendment enhances the fine for failing to obey instructions of the Council or misrepresenting facts to the Council from one million to ten million. The proposed fine is excessive considering that most factories/ industries in Kenya are either micro or medium sized.

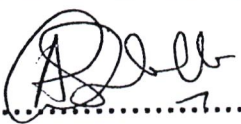

And also that the Bill was focusing on giving incentives not punishing.

MIN.NO.DC/ENR/013/2016 ANY OTHER BUSINESS

1. The Hon. Dr. Ottichilo Wilber, M.P reminded the committee that there is need for the committee to have a field visit to the Tsavo National Park to inspect the Standard Gauge Railway Line passing through the Park to assess its impact on the environment and on the wildlife movement. The Secretariat was tasked to fast track this matter with the office of the Cabinet Secretary, Ministry of Environment & Natural Resources.
