3.0 BACKGROUND

Article 109 of the Constitution states that “Parliament shall exercise its legislative power through Bills passed by Parliament and assented to by the President.

The Public Service Commission (Amendment) Bill, 2019 was read for the first time on Thursday 2nd May, 2019 and subsequently committed to the Committee pursuant to the provisions of Standing Order 127 (1) and report to the House.

The principal objective of the bill was to amend Public Service Act of 2017 to prescribe the mandatory retirement age of sixty years in the act. It also seeks to address the issue of an officer acting in a position for more than six months.

4.0 SITTINGS

The Committee considered the Public Service (Values and Principles) (Amendments) Bill, 2019 in its sittings held on Friday 16th August, 2019 and adopted its report on Tuesday 8th October, 2019.

5.0 SUMMARY OF THE PUBLIC SERVICE COMMISSION (AMENDMENT) BILL, 2019

The proposal seeks to amend the Public Service Commission Act No. 10 of 2017.

Clause 1 is the short title of the Bill

Clause 2 seeks to include a new sub section (3A) in section 34 of the Act.

Clause 3 seeks to amend Section 80 of the Act —

Clause 4 of the Bill provides for transition clause where a person is appointed under a contractual framework.

6.0 CONSIDERATION OF PUBLIC SERVICE COMMISSION (AMENDMENT) BILL, 2019

Analysis of the Bill

The proposal seeks to amend the Public Service Commission Act No. 10 of 2017.

Clause 1 is the short title of the Bill

Clause 2 seeks to include a new sub section (3A) in section 34 of the Act.

“(3A) upon the expiry of six months an officer appointed under subsection (3) shall not be entitled to any acting allowance”

The clause does not state whether the officer ceases to act and if that is the case what happens to the acting position. Further, where one continues to act in a position without drawing an allowance it becomes punitive to an officer;

The clause is punitive to an officer whereas the filing of a vacancy is usually discretion of the management of an organization.

Observation on Clause 2:

The proposal does not cater for a situation where an officer is in acting in a capacity occasioned by the temporary absence of a substantive office holder such as by study leave, secondment, leave of absence or such other leave as may be determined by the Commission.

Clause 3 seeks to amend Section 80 of the Act —

- (i) Delete the words “as may be prescribed by regulation” and substituting the words “sixty years”

Implication:

The retirement age currently is prescribed through a circular issued by the Public Service Commission; the amendment seeks to place the same in a statute.

Observation

Several factors are considered when determining the age of retirement; demographic factors such as at life expectancy of retirees, population growth rates and how the society is aging. If the number of years retirees are expected to live in retirement is short, then there is a tendency to have a low retirement age. If retirees are expected to live longer then the retirement age too is to have a high retirement age. In the case of an aging society where the old aged cohort is growing at a faster rate than the population growth rate the tendency generally adjust the retirement age upward to reflect the trend.

From the above it has been the practice to determine the retirement age through regulation which is easy to amend as opposed to a statute.

6.0 PUBLIC PARTICIPATION

Pursuant to Article 118 of the Constitution and Standing Order 127 (3) the committee invited memoranda from the public vide a notice in the local dailies.

One of the most important features of the Country constitutional framework is the requirement of public participation in governance and other administrative activities. Specifically, the provisions of the following Articles are pertinent.

- i) Article 10 recognizes public participation as one of the national values;
- ii) Article 27 provides for equal treatment of all persons, while affirmative action in governance is provided for in Articles 54 and 56 of the Constitution;
- iii) Article 35 provides for the right of access to information held by the State or another person which is necessary for the exercise of any right or fundamental freedom;
- iv) Article 118 requires Parliament to conduct its business in an open manner and to facilitate public participation and involvement in the legislative and other business of Parliament and its committees. It also prohibits Parliament from denying the public and media access into its sittings unless there are any justifiable reasons.

The Constitution obligates the State and all State organs to ensure adequate public consultation on all public policies, legislation or any decision that is likely to impact on the people of Kenya. Failure to factor in the mandatory requirement of public participation exposes the legislative instrument or policy framework to constitutional challenges of legitimacy, hence making it actionable for unconstitutionality in a court of law.

Effective public consultation is based on principles of openness, transparency, integrity and mutual respect. The open process facilitates acceptability amongst the key stakeholders, subsequently facilitating efficient and effective implementation of the legislative instrument.

The committee put an advert on the Bill on the local dailies inviting for comments from the public.

6.1 MEETING WITH HON. BENJAMIN GATHIRU MWANGI, MP

On Thursday 13th June, 2019, the Hon. Benjamin Gathiru Mwangi, MP appeared before the Committee and informed the Committee as follows:- That,

- a) The principal objective of the bill was to amend Public Service Act of 2017 to prescribe the mandatory retirement age of sixty years in the act;
- b) Further, the bill provided for the penal act for a period of more than six months;
- c) The bill provided for mandatory retirement at the age of sixty without any exception;

- d) The bill seeks to increase job vacancies available to Kenyan citizens below the age of sixty years; and
- e) The bill also seeks to address the issue of an officer acting in a position for more than six months.

7.0 CLAUSE BY CLAUSE CONSIDERATION OF THE BILL

CLAUSE 1- SHORT TITLE

Clause 1 relates to the short title.

The Committee observed that there were no stakeholder comments received on this provision and recommends that the Clause be agreed to, as it appears in the Bill.

CLAUSE 2- AMENDMENT OF SECTION 34 OF NO.10 OF 2017

Clause 2 of the Bill seeks to insert a new subsection to section 34 of the Act. The new subsection 3 (A) states—

“(3A) upon the expiry of six months, an officer appointed under subsection (3) shall not be entitled to any acting allowance.”

The Committee observed that there were no stakeholder comments received on this provision. The Committee further observed that—

- (a) The proposed clause is punitive in nature because it punishes an officer who has been appointed under subsection (3). The proposal does not take into account officers acting in a temporary capacity such as study leave, secondment, leave of absence or such other leave as the Commission may approve;
- (b) The clause does not state whether the officer ceases to act and if that is the case what happens to the acting position;
- (c) The proposed clause does not substantively address the issue of one in an acting capacity as a temporary measure for an appointing authority to recruit and substantively fill the position. The clause should be amended to buttress subsection (3) as it already provides that an officer may be appointed in an acting capacity for a period of at least thirty days but not exceeding a period of six months. Therefore, the committee recommended for a new subsection (3A) that will mandate an appointing authority to fill a vacant position within six months.

The Committee recommends that the Bill be amended as follows—

That clause 2 of the Bill be amended by deleting the proposed new subsection (3A) and substitute with the following new clause (3A) —

“(3A) An appointing authority who fails to fill a vacant position under subsection (3) within six months, commits an offence and is on conviction liable to imprisonment for a term of not less than three months.”

Justification

(To mandate an appointing authority to fill a vacant position within the stipulated timelines as provided in the Act.)

CLAUSE 3- AMENDMENT OF SECTION 80 OF NO.10 OF 2017

Clause 3 of the Bill seeks to amend section 80 of the Public Service Commission in order to provide for the age of retirement in statute. The proposal also seeks to lock out retired employees from re-entering the service on account of possessing rare knowledge, skills and competencies or a retired officer is willing to be engaged on contract or the officer's performance is not impaired by age.

The Committee observed that there were no stakeholder comments received on this provision. The Committee further observed that—

- (a) the proposed amendment is timely as it will increase job vacancies available for the youth. This will also task the Public Service Commission and other appointing authorities to come up with succession plans for jobs that require rare technical skills;
- (b) the executive has a tendency of extending the tenure of persons on account of possession of rare knowledge or skills;
- (c) with regard to Constitutional commissions, many retirees who are over seventy years are recycled into the said commissions. Members felt that such positions can be filled by able persons who are less than sixty years who have the requisite knowledge;
- (d) the provisions proposed will unclog the heavy wage bill the country is currently facing

The Committee recommends that the Bill be amended as follows—

Amend section 2 of the Act by deleting the definition of “public officer” and substitute therefor the following new definition—

“public officer” means any person other than a state officer who holds a public office or any person, other than a State Officer, who holds a public office save for state officers who hold elective positions.

Justification

(To provide that a public officer is one who includes a person who holds a constitutional office and as such an appointing authority cannot appoint a person over the statutory limit. This amendment seeks to extend the retirement age to persons holding state offices.)

Further amendment to clause 3 by deleting the proposed paragraph (i) and substitute therefor the following new paragraph—

“(i) in subsection (1) by deleting the words “as may be prescribed in the regulations” and substituting therefor the words “of fifty five years and for persons with disabilities the mandatory age of sixty years”

Justification

(To amend the mandatory age from sixty years to fifty five years and to provide for a retirement age for persons with disabilities. This is in line with the Members proposal to increase job vacancies available to the public especially the Kenyan youth.)

In section 80 by inserting the following paragraph immediately after paragraph (a)-

“(aa) a person who appoints a retired public officer in a state of public office shall commit an offence and shall on conviction, be liable to imprisonment for a term not less than three months.”

Justification

(To provide for punitive measure for any appointing authority who appoints a state officer or a public officer who has attained the mandatory age of retirement.)

CLAUSE 4- AMENDMENT OF NO.10 OF 2017

Clause 4 of the Bill provides for a saving and transition provision. The transition provision is to cater for persons who are over sixty years and are currently serving in the service or any other public authority.

The Committee observed that there were no stakeholder comments received on this provision. The Committee further observed that the provision is essential as there are persons serving in the public service who are above fifty five years and sixty years for persons with disabilities.

8.0 COMMITTEE RECOMMENDATION

The Committee recommends that the Bill be amended and agreed to as proposed.
